

True to Life Elementary Personal study audio CD: English for Adult Learners

True to Life is a five-level course for adults. To ensure a high level of motivation, the course focuses on contemporary themes, language and learning styles that are relevant to adult learners. The Starter level provides between 40 and 60 hours of class work. The other levels provide between 72 and 96 hours of class work, depending on the various options used. The range of extra materials (photocopiable worksheets, tests and videos) create a comprehensive and flexible teaching package. The ready-made lessons can be used as they stand, saving teacher time, or adapted using the optional activities suggested in the Teachers Book.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
