

Tunisian Arabic in 24 Lessons

Tunisian Arabic in 24 Lessons is an enjoyable, easy-to-read self-instruction book destined to native speakers of English who want to learn Tunisian Arabic, or derja: the dialect of Arabic as spoken in Tunisia. A linguistic/cultural guide to travelers to this beautiful North African country and those who need to communicate with Tunisians worldwide. Language Students and linguists will also find this book a valuable resource for their study and research, as it contains authentic linguistic data and original syntactic insights into Tunisian Arabic; Grammar similarities and differences are outlined and explained within a comparative approach that is accessible to specialist and non-specialist learners at the same time. In this book, the focus is on speech: this is why a combination Romanized Transliteration and phonetic transcription is used and the reader will not need to worry about or discouraged by the difficult Arabic script from the start! it is like learning Arabic through English! For learners who need it, an additional companion has been recently published: 201 Tunisian Arabic Verbs. It lists alphabetically the most common Tunisian verbs, with exemplary sentences and phrases drawn from the natural speech of Tunisia.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
