

## Turkish: A Dictionary of Delights

Especially timely in light of debates about Turkey's entrance into the European Union, this lexical tour de force and sui generis book in the tradition of Sterne and Borges uses the dictionary genre to inject polemic into certain forbidden discourses involving Turkish language, politics, sexuality, and history. It also introduces the Turkish universe in all its intimacy from the perspective of a personal Wirkungsgeschichte. The definitions are presented with a sense of wit and political incorrectness that one does not usually associate with sacred Ottoman subjects such as the hammam and revered political icons such as Ataturk. Presented as a found manuscript, the book is edited by Roger Conover, the well-known Editor at MIT Press. Edited by Roger Conover Paperback, 4.5 x 5.5 in./92 pgs / 20 b&w.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
