

## Tutonish, or Anglo-German Union Tongue (Classic Reprint)

Excerpt from Tutonish, or Anglo-German Union Tongue Germans, Dutch, Scandinavians and Jews, who speak more than one language, will probably appreciate and favor this idea of a union tongue more than others, except the American and English of higher education. If the Germans, Dutch, Scandinavians, Jews, learned Americans, and Englishmen, who favor the idea will assist the cause by purchasing the book themselves and recommending it to others, they will do much toward the advancement of unification, education, and cooperation by making possible a Union tongue which will be understood by nearly the whole world. Such a language is needed and will greatly facilitate international, social and commercial intercourse. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
