

Universalism in America, Vol. 2: A History (Classic Reprint)

Excerpt from Universalism in America, Vol. 2: A History. Announcement was made in the Preface to the first volume of this work that the volume now in the hand of the reader would contain chapters on several topics which it has been found impracticable to notice at any length. Periodical literature and hymnology are mentioned only in the Bibliography, and Sunday-schools receive but a brief notice. Material for these topics and for more full details in regard to the general history has not been deficient, but limited space has compelled many omissions. Yielding to the suggestions of those who have had much experience in book-making, the author has restricted his work to two volumes, and this has necessitated his making a choice of what portion of the History he should treat in detail, and what portion should receive only general mention. He chose, therefore, to give the most full account of the period prior to the issue of Universalist periodicals, knowing that all the sources of his information concerning this period were accessible to a few, and that many of them were found by him in documents already worn by age, and liable to be lost or destroyed. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I

already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
