

## Unless It Moves the Human Heart: The Craft and Art of Writing

Multiple award-winner Roger Rosenblatt has received glowing critical acclaim for his exceptional literary works from the hilarious novels *Lapham Rising* and *Beet* to his poignant, heartbreaking, ultimately inspiring memoir *Making Toast*. With *Unless It Moves the Human Heart*, the revered novelist, essayist, playwright, and respected writing teacher offers a guidebook for aspiring authors, a memoir, and an impassioned argument for the necessity of writing in our world. In the tradition of Anne Lamott's *Bird by Bird*, Rosenblatt's *Unless It Moves the Human Heart* provides practical insights and advice on the craft, exquisitely presented by one of contemporary literature's living treasures.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
