

Vital Records of Rhode Island, 1636-1850, Vol. 19: Birth, Marriages and Deaths; A Family Register for the People (Classic Reprint)

Excerpt from Vital Records of Rhode Island, 1636-1850, Vol. 19: Birth, Marriages and Deaths; A Family Register for the People The Compiler with this volume presents the Nineteenth Volume of the Vital Record of Rhode Island, which he believes is fully as interesting as those of the preceding volumes. The matter printed herein finishes the deaths of the first Democratic paper and commences that of the Rhode Island Republican, the organ of the Jeffersonian Administration. The General Assembly have as usual shown their public courtesy towards us, for which we extend our most grateful thanks. The kind words and favors from our friends are deeply appreciated. This will aid us in continuing in the work to which we have given the best years of our life. May we so work as to be still worthy of such favors in the future. In reading our notes please to keep in mind if the Marriage or Death date following carries the name of the paper before said date it means that the said Marriage or Death is announced as having taken place before that issue. If the paper is not mentioned it means the real date of the occurrence. We close by trusting our readers will find their usual pleasure while perusing our new and latest volume. Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
