

## ?Viva Ixtapan de la Sal! ?Viva Mexico! (Volume 1) (Spanish Edition)

John, un joven estadounidense, decide ir a Mexico para aprender español y enseñar inglés. En el camino conocerá Ixtapan de la Sal, una ciudad en el Estado de Mexico, sus tradicionales Fiestas Patrias, la familia Diaz y lugares preciosos que son los cerros y montañas del lugar. Tu viajaras con el y mejorarás tu español respondiendo actividades de anticipación, comprensión y extensión. Adelante, sin miedo. La aventura te espera. (Contactame: maestrochrislemon@gmail.com)

Incluidos: quince capítulos, 400+ definiciones monolingües, guías de anticipación con explicaciones lingüísticas en su mayoría bilingües, preguntas de comprensión, actividades después de leer, guía de personajes, guía de pronunciación y más de 45 fotos relacionadas con el texto.

Estos recursos se diseñaron tomando en cuenta las habilidades de estudiantes de español que ya tengan dos o tres años de preparación, pero las actividades y el trama pueden adaptarse para uso también con estudiantes de nivel más o menos alto. Se diseñaron también para estudiantes cuya L1 sea inglés, pero pueden usarse con estudiantes de cualquier lengua materna.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
