

The 365-Day Writers Block Workbook (Volume 1): 1,000+ sentence starts with 50+ writing tips (The 365-Day Writers Block Workbooks)

With over a thousand sentence starts three per day, and a writing tip at the end of each week to motivate and inspire, this book provides kick-starts to avoid the dreaded writers block. Useful for any writer at any level, whether they have 10 minutes or 10 hours, to start a new project. Also an ideal tool for writing groups. With a combination of six first-person, six second-person, six third-person and three non-specific point of view starts per week, there are plenty to choose from. Beginning at Day 1 this book has been designed to be started at any time of the year, and regardless of whether the sentences are used in order or not. With a choice of three per day a writer can select one, two or all and see where it leads them.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
