

# Way ahead: Teachers Book 1: A Foundation Course in English

Way Ahead is a six-level course for primary school children who are learning English as a second language. The structures and functions of the English language are taught through a variety of child-centred activities, which have been carefully graded and are suitable for classes in a variety of cultural backgrounds. At the lower levels, the books introduce a cast of entertaining characters who contextualize the language and make learning fun. At the upper levels, the texts are topic-based, and introduce children to the study skills they need to pursue their studies to a higher level.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
