

Part-time Dog (Weekly Reader Childrens Book Club)

Ages 4#150;8 A little stray dog with a wagging tail wanders onto Maple Street one day. Brownie walks the children to school, goes to the bank with Mrs. Butterworth, and even helps Mrs. Tweedy rake her yard. But when night comes, everyone goes home except for Brownie. He doesnt have a home to go to because everyone thinks hes somebody elses dog! In this new edition of a beloved story, a community comes together to share a dog that is loved by all.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
