

Standard Operating Procedures

... a clear, step-by-step approach to the design, release, & control of standard operating procedures...the reader can acquire a thorough introduction to the preparation of standard operating procedures in a single sitting ... I can recommend this text wholeheartedly to companies who have awakened to the need to standardize operations as the essential element of process control. ---Marcus Padgett, Quality Consultant, Group Intercon. Well written procedures executed within an effective procedural system serve to: improve morale, productivity, & customer satisfaction; reduce process variation, waste, & quality limitations; facilitate compliance with ISO 9000 & Malcolm Baldrige National Quality Award; let employees know how to do a good job. STANDARD OPERATING PROCEDURES is a unique, user friendly model for such a system, & it has already been shown to cause improvements in a very broad cross-section of business settings.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
