

## Engagement Is Not Enough

Lack of employee engagement is like a cancer, eating away at your organizations vital organs. It saps your organizations strength, directly affecting your organizations ability to achieve the levels of customer satisfaction, productivity and profitability you know you could achieve. Keith Ayers presents a compelling argument that the focus on engagement has failed because leaders think engagement can be bought through bonuses, benefits, and share options. That is like trying to cure cancer with an aspirin or band-aid. The cure for the cancer of disengagement is for leaders to look in the mirror at the leadership they provide. In this in-depth exploration of the leadership skills needed to get every employee to want to perform at their best, Ayers challenges leaders to stop focusing on engagement, and set their sights on igniting the fire of passion in their employees.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
