

## All About Jill (Volume 1)

Jay and Piya bring home a cute little Beaglier puppy. All About Jill is a fun story book for kids of all ages along with candid photography by HV, starring Jill, the beagle (Oh, a beaglier). This childrens book takes you to the world of Jill and her adventures. As you read along, you'll also learn more about the personality traits of a Beagle. Fun tip: Math while you read, count the paws to know the number of the chapter. Ages: Suitable for kids of all ages, especially preschool to fifth grade.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
