

## Political Thinkers: Karl Marx

First published in 1975, this book provides an interpretative introduction to the political thought of Karl Marx. The approach is both historical and analytical, with emphasis placed on developments and changes in Marx's thought. The book is firmly based on a close reading of primary sources including recently discovered documents on the Communist League, the drafts of Marx's Civil War in France and the Grundrisse manuscripts.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
