

## Wicked Spanish

From the sneakily successful travel series with over 1 million copies in print, Wicked Spanish (over 250,000 copies in print) is the devilishly funny pocket-sized guide to language and culture in the land of manana. From managing epic taxi rides (The Old Man and the Chevy) to Perfecting the Haggle to Tipping the Police, Wicked Spanish anticipates and prepares norteamericanos for a wide range of exotic Latin customs and conditions-also know as que sera, sera. Explain to your innkeeper that youd rather have private accommodations: Pero you prefiero un cuarto sin escorpiones. (But Id prefer a room without scorpions.). Politely ask your waiter what youre eating: QuS hace inmovil dentro del mole? (What lies motionless under the spicy chocolate sauce?). And Mi abuelo perteneci. a un sindicato obrero (My grandfather belonged to a labor union) may be just the ticket for kidnap victims of revolutionaries. Once acclimated, youll make clever cockfight conversation, understand Zapotec Basketball, and even enjoy a cold cerveza with your wife in a friendly mens bar: No la mires. No le hables. No la toques. (Do not stare at her. Do not address her. Do not touch her.). Above all, youll learn the real meaning of Vaya con Dios.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
