

Ready-to-Use Prewriting and Organization Activities: Unit 4, Includes 90 Sequential Activities for Building Prewriting and Organizing Skills in Grades 6 through 12

A practical series that provides over 540 stimulating, ready-to-use activity sheets to help teach and reinforce writing skills in middle/junior high and senior high school students, grades 6-12. Each unit in the series focuses on a different area of writing skills and is complete and self-contained, including 90 reproducible activities in a variety of formats, a brief teachers guide to effective use of the activities and full answer keys. The activities can be used in any order in any developmental or corrective writing program to meet the specific needs of individual students, small groups, or an entire class.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
