Excerpt from Wilhelm Hauff das Kalte Herz: Edited, Together With Schillers Ballad; Der Gang nach dem Eisenhammer; With English Notes, Glossary, And Grammatical Appendix

Hauffs tale Das Kalte Herz, perhaps the most delightful of all his tales, forms, together with Schillers ballad, Der Gang nach dem Eisenhammer, the work prescribed by the University of Toronto for Junior Matriculation for the years 1887 and 1889. Encouraged by the success which has attended the issue of Grimms Tales, the present editor presents this little tale in an edition in which the same principles are followed out which guided him in his previous work. The many kindly notices of the latter from teachers of German, not only in the Province of Ontario, but from all parts of the United States, is a proof, peculiarly grateful to an editor whose chief object has been the advancement of the study of the German language, that work has only to be thorough to be appreciated, and this appreciation is dear to him, however humble may be the particular work which he has chosen. Nowhere are sound scholarship and minute accuracy more necessary than in a work destined for the hands of elementary pupils; and nowhere, it might almost be added, has such work been more rare hitherto in German school-books, at least on this continent. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
