

William Ricketson, William Ricketson, Jr., And Their Descendants (Classic Reprint)

Excerpt from William Ricketson, William Ricketson, Jr., And Their Descendants To all of us who are descended from William Ricketson, the Emigrant, it is a matter of deep regret that we know nothing of his birthplace nor of his English ancestry. Indeed we are so wholly without any guiding clue that we cannot even tell where to begin a search. Mr. Walton Ricketson, of New Bedford, opines that the name Ricketson may originally have been Rickatson; he has visited several of the name living in London and also in their country place in Yorkshire, England, and writes that William and John are favorite Christian names with them as with our American family. They are however, too generic to be really indicative, and a correspondence with the present representative of the Rickatsons, Miss Mary Jane Rickatson of Stokesley, Yorkshire, has brought forth only disappointment. Her family have lived in that neighborhood since the latter part of the eighteenth century, but she can carry her line no farther back than her great-grandfather, she can suggest no way in which more might be learned of her ancestry, nor has she ever heard of any other family bearing the same surname. About 1851 one Eli Rickettson came to this country and settled in Erie County, New York. An attempt at correspondence with his sons was unsuccessful; hoping therefore to learn something of their English origin, which might help us, we went to see Mr. James Britport Rickettson, of East Aurora, New York. From him we found that his father came from Yoral, Somersetshire, England, and that the name as given in the Family Records and in an English chancery suit in which Eli was involved was called Ricketts otherwise Rickettson. This seems to show the original patronymic to have been Ricketts and its development into Rickettson or Rickattson to be

comparatively recent; again our hypothesis falls to the ground. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
