

The Ghost of Wolverine Forest

Dear Reader: Read this book-if you dare-but be advised that if you do, I won't be responsible IF: You have nightmares. You have trouble sleeping at night. You're afraid to be home alone. You become afraid of the dark. You won't go near a forest. You wish you had never read this book! YOU, Dear Reader, have been WARNED. Read this book at your own risk! -The Author Donald W. Kruse lives in Mt. Prospect, Illinois with his wife of 37 years, Marilyn, and their two dogs, Itchy and Oscar. In 1981 and 1982, Donald was disabled with an illness called vasculitis. It affected his heart, lungs, kidneys, spleen and blood vessels. While convalescing at home for nearly two years, he was going bonkers with boredom. So he bought a how-to book on typing. Then he enrolled in a home-study course for writing children's stories. Today, his vasculitis is in remission, and his passion for writing thrives. He's the author of dozens of children's picture books and two exciting suspense novels for Young Adult Readers.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
