

Word by Word Basic English/Spanish Bilingual Edition (2nd Edition)

Word by Word Basic English/Spanish Picture Dictionary, Second Edition, by Steven J. Molinsky and Bill Bliss, is the only truly communicative vocabulary development program. Word by Word Basic is famous worldwide for its ease-of-use, lively spirit, and active conversational approach. The program's unique interactive methodology makes vocabulary learning come alive as a dynamic, communicative experience! Outstanding features of the second edition:

Vibrant illustrations and simple accessible lesson pages with large type are designed for clarity and ease-of-use with learners at low-beginning and literacy levels. Word by Word Basic is the most learner-friendly picture dictionary. More than 2,500 essential words prepare students for success using English in everyday life, in the community, in school, and at work. A careful research-based sequence of lessons integrates students' development of grammar and vocabulary skills through topics that begin with the immediate world of the student and progress to the world at large. Expanded discussion questions encourage students to relate vocabulary topics to their own lives, experiences, and opinions. Innovative supplements provide effective instructional tools for teachers and multilevel options for students: The English/Spanish Edition presents the second language in blue next to each English word. A monolingual English version is also available. The Teachers Guide and Lesson Planner with CD-ROM includes lesson-planning suggestions, community tasks, Internet web links, and reproducible masters. A Vocabulary Workbook features motivating vocabulary, grammar, and listening practice (Audio CDs included). A Lifeskills Workbook provides standards-based activities and reading tied to major curriculum frameworks. A Literacy Workbook offers fundamental practice with the alphabet and

basic reading and writing skills for pre-Beginners (Audio CD included). The Audio Program includes all words and conversations for interactive practice and as bonus material an expanded selection of WordSongs for entertaining vocabulary practice through music. Color Transparencies and Vocabulary Game Cards are ideal picture resources for introducing, practicing, and reviewing vocabulary. The Testing Program and ExamView CD-ROM provide effective tools for assessment of student progress.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
