

Wordsmith: A Guide to Paragraphs and Short Essays (with MyWritingLab with Pearson eText) (5th Edition)

The Wordsmith series is the value-priced option that students will appreciate while mastering key writing and grammar skills.

Pam Arlov wrote a textbook series that counters many of the objections students had about textbooks, such as: Students find textbooks dry and tedious. Arlov includes thought-provoking chapter openers, plenty of visuals, and a conversational, engaging writing style that students really respond to. Students find textbooks irrelevant to their lives. Arlov's coverage of the rhetorical modes is realistic and models real-life writing. She includes Real Writing examples in the modes chapters to make Wordsmith relevant to students' lives. Students become frustrated if the entire text is not used in class. Wordsmith is 100 pages briefer than similar texts on the market and an affordable option. This more concise approach also does not overwhelm students with too much information. Wordsmith provides students with just the right balance of instruction and practice.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
