

Banque-Finance.com Workbook (French Edition)

La collection Point com propose aux étudiants et aux professeurs des cahiers complémentaires pour approfondir les compétences dans des domaines encore plus spécifiques que ceux étudiés dans le cadre d'une méthode généralement eclectique et généraliste. Ce livre offre donc en 96 pages une étude approfondie du lexique et de la terminologie française dans le domaine de la banque et de la finance. Accessible à un niveau élémentaire (fin du A2, début du B1 du Cadre Européen Commun de Référence pour les langues), ce livre d'activités et d'exercices comporte 7 parties, allant de l'ouverture d'un compte à sa fermeture. Sont abordées ici la plupart des situations et des relations entre le banquier et le client, ainsi que les différents produits de la banque. A l'intérieur de chaque chapitre: des documents ou situations suivis d'exercices de vérification, de compréhension, de lexique; des aspects culturels et institutionnels et des questions de comparaison interculturelle. Un lexique et un corrigé complètent le livre.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
