

Writers Workbook: Settings

Designed to be marked up, written all over and in, this workbook is built to teach you to write in the most modern tradition, utilizing an approach that emphasizes learning through doing (and careful imagination stretching.) Within its sultry pages, you'll find over 300 different expertly formulated, open and inspiring settings to tantalize the stories out of you and help bring them into the light. Whether you are a writer just starting out on your first novel or an old hand at the industry, you'll find something to love in this workbook of inspiration seeds for the modern creative writer.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
