

Writing the Life Poetic: An Invitation to Read and Write Poetry

Writing Poetry for Everyday Life Poetry is just the evidence of life, says Leonard Cohen. If your life is burning well, poetry is just the ash. You don't need an advanced degree to reap the rewards of a rich poetic life. Writing poetry is within the reach of everyone. Poet Sage Cohen invites you to slow down to the rhythms of your creative process and savor poetry by offering explorations of the poetic life and craft. Inspiring a feeling of play instead of laborious study. Weaving together lessons in content, form, and process to provide a fun and engaging experience. Inviting you to add poetry to your creative repertoire. Writing the Life Poetic is the inspirational companion you've been looking for to help you build confidence in your poetic voice. It takes poetry from its academic pedestal and puts it back into the hands of the people. Join the conversation with other poets at: www.writingthelifepoetic.typepad.com.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
