

WRITING YOUR FAMILY HISTORY: A Practical Guide

Ever wished to see your family history in print, or imagined future generations poring over old photographs and anecdotes in a book? Writing Your Family History helps family historians realize the full potential of the names, dates and facts that they have researched to compile a detailed family history that will be preserved for future generations. Topics covered include: Exploring sources for material; Gathering information; Recording family anecdotes; Making use of limited material; Using local and social history; Studying family dynamics; Planning your story; How to begin your story; Presenting and publishing your story.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
