

Der groyser genits (The Big Yawn) - Yiddish: oder, a nudner tog in Niu-York (a humoristische dertseylung) (Yiddish Edition)

The narrator of this story by Josef Tunkel (Joysef Tunkel, Yosef Tunkel) known as Der Tunkeler, is a bookkeeper in New York, facing the dreary prospect of a three week vacation mandated by the union. His amusing chronical of a painful progression through a single mans day of leisure still rings true. The Yiddish is easy and full of Yinglish.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
