

Yoga Nine Ways: Awakening to Source with Yoga & Enneagram

There are three centers of intelligence within each of us. Head, Heart and Gut. This book is based on the idea, realized by Don Riso and Russ Hudson, leading developers of the Enneagram, that we have a tendency to be more oriented toward one of these intelligences and also to neglect one of them. This was particularly exciting to me because as a yoga instructor I know that I could then recommend an optimal individualized yoga practice based on these principles.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
