

## The Art of Writing

Knowing how to write clear prose will help both the student and the adult who wants to try his hand to perform at a higher level. Its been proven time and time again. One of the advantages of The Art Writing presented here is its brevity of presentation. The author knows how to say an awful lot with a few words. Its a skill that most writers of instruction simply do not have. Despite the concise nature of the book, it covers all the relevant topics for anyone who wants to sharpen his facility and confidence with the written word. Some of the more general topics include: the diversity of sentence structure, lots of tips on the possessives, the slashes, and the italics. Diction, the colloquial, and language in general are emphasized. The language of art is given special treatment, along with plot, drama, idiom, and metaphor. The mainstream novel is given special treatment, along with the 12 literary movements of the 20th century. And last but not least some keyboard tips for the novice.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
