

John Peter Zenger and the Fundamental Freedom

In 1733, John Paul Zenger began to print the New York Journal, the newspaper that was to change Zengers life and the direction of journalism in colonial America. The material published in the Journal so incensed Sir William Cosby, the royal governor, that Zenger was arrested for seditious libel. Zengers case was taken on by Andrew Hamilton, the foremost lawyer in the colonies, and after several months in prison the printer was found innocent. The case became a landmark of journalistic freedom, establishing that truth was the ultimate defense against charges of slander or libel, and was both emblem and incitement of Americas belief in a free press. This work traces Zengers life, the development of what was to become the U.S. Constitutions First Amendment freedom in the colonies, and its subsequent evolution on both sides of the Atlantic.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
